

Product Change Notification – PCN # 000643

October 17, 2019

Dear Valued Customer:

The purpose of this letter is to inform you that Moxa is planning to implement a change to certain products. Please review the detailed information given below to determine how these changes will affect your products and/or processes. If you have any questions regarding these changes, please contact the person listed at the end of this document.

Subject:

ABC-02 Series V1.0.1 will change to V2.0.0

Service Level: Basic

Effective Date: January 1, 2020

Model Names/Current Version/New Version:

Model Name	Current Version	New Version
ABC-02-USB	V1.0.1	V2.0.0
ABC-02-USB-T	V1.0.1	V2.0.0

Change Description:

- The ABC-02 Series will undergo a product revision as detailed below because the NAND Flash has been phased out.
- The NAND Flash memory size of the ABC-02 Series V2.0.0 has increased from 128 MB to 1 GB.
- There are no other changes in the ABC-02's form, fit, or functionalities.
- The status of the related regulatory approvals for the products mentioned in this document are shown in the table below:

Model Series	CE/FCC
ABC-02 Series V2.0.0	Ready

Delivery Schedule:

Model Series	Launch Date	Transition Method
ABC-02 Series V2.0.0	2019/10/31	Running change (~2020/01)

We will keep supplying the current product and perform a running change to phase in the new product revisions. Therefore, the target transition schedule may vary slightly.

Note: If you have any questions, please email gary.chang@moxa.com or contact your regional sales contact.
