Fax: +886-2-8919-1231
www.moxa.com

ioSearch utility	V2.0	New features or enhancements:
		▪ Changed EtherNet/IP per unit licensing policy to one unit/license file only policy
		▪ Revised help file including RESTful API and EtherNet/IP

Note:

1. When updating firmware version V3.0 or higher, use ioSearch V2.0 or higher version to upgrade.
2. Update only the next or the previous released firmware version to prevent from system failure.
3. To avoid system failure while updating the firmware, follow the instructions given in Appendix I in ioLogik E1200 series user's manual.

Delivery Schedule:

The new software is available for download from Moxa's website starting 26th January, 2018. And will be released in new products via a running change.
