Life cycle notification #75  
Last Time Buy for AD-01

Part number	Sales part description	Last order date	Last shipment date	Replaced by, part number	Replacement part description
3612-0001	AD-01	2022-06-30	2022-09-30	N/A	N/A

As a part of the semi-annual product portfolio review, it is time to transfer the AD-01 to the life cycle phase **Limited**. The AD-01 have enjoyed a long life in the Westermo product portfolio, but due to a need for significant investment in production and testing equipment combined with a decreased demand from the market it is time to retire the product.

The transfer to **Limited** takes place at the last order date.
