

Product Discontinuance Notification—PDN# 0000381785

Revision 1 April 25, 2023

November 08, 2022

Dear Valued Customer,

We would like to inform you that Moxa is going to discontinue the NPort W2150A Series and NPort W2250A Series because a key component has reached its end-of-life. The last-buy process effectively began Dec 01, 2022.

If you need any of these discontinued products for an existing project, please contact your Moxa sales representative to place orders before Nov 30, 2023, which was extended from May 31, 2023, which provides more time in support of a better production transition. Also, please note that last-buy orders may be subject to availability.

Please review the details below to determine how these discontinuances will affect your products and/or operations.

Which products will be discontinued?

The following products will be discontinued. Also, see the models recommended to replace the soon to-be-discontinued models, as well as when the replacement models will be available for order.

Discontinued	Recommended Replacement	Available for Order	Shipment Date
NPort W2150A Series	NPort W2150A-W4 Series	Jan 2023	Jan 2023
