

Life cycle notification #97 2024-01-12

End of Life of CyBox AP-3 / LTE-2 / RT-2 / GW-1 / GW-2 variants listed below

Following a semi-annual review of the CyBox product portfolio, it is time to transfer the products listed below to the life cycle phase Discontinued. The CyBox variants will be phased out immediately to avoid complications down the line, since there is no demand anymore and variants of the same family with similar configuration are available.

Westermo is committed to assisting you during this transition.

Part number	Sales part description	Discontinuation date	Replaced by, part number	Replaced by, part description
